

Vitracolor® Back-paint offers the highest quality of paint consistency and color matching in the market: A smooth, uniform, high end finish that is made to measure for anything from glassboards to floor to ceiling coverage. Glass can be adhered directly to the wall or hung on z-clips. Vitracolor® back-painted glass can also be installed in demountable systems to create an efficient writing surface.

Low-VOC, water-based paint is manufactured within miles of our Chicago factory.
